

2011 4H Lawn Tractor Pulling Club

The Lawn Tractor Pulling Club is a hand's on club that not only teaches each 4H member about the workings of their lawn tractor, but they will also learn what their tractor is capable of doing. The 4H members will learn how to fill the tractor with gas, check the oil, and lubricate the necessary moving parts to keep their tractors performing with less break downs.

Each member **must** have a Lawn Tractor.

Meetings

Meetings will be held on the Third Wednesday of each month at 7:00 pm unless otherwise advised.

Our Achievement day will be at Acton Fall Fair Saturday Sept 17, 2011 at 4:30pm Registration will be 3:30pm
